

Australia's Largest Finance News Site.

Media Kit.

Australia's Largest Finance News Site.

HotCopper is a highly engaged community with over 300,000 registered members, 52m pageviews and over 67,000 unique visitors per day.*

The loyal user base visit the forum to discuss share prices, stock market conditions, dissect news & analysis and make investment decisions in real time.

Born in 1994, HotCopper is one of the oldest financial services sites in Australia. It listed on the ASX in 2016 and has continued to grow its membership and visitor base to become the largest financial news source in Australia.

HotCopper's growing community engage regularly via desktop, mobile web and app.

HotCopper believes in the democratisation of information, and in helping people to make smarter, better informed investment decisions. That is why HotCopper is a free service, available to all users without any paywall restrictions.
